

## **Proof Terms and conditions**

Please check your proof carefully.

Visual proofs provide sizing and positioning guidance and may not exactly represent the finished item.

All print, embroidery and garment colours are for display purposes only.

If an exact colour match is required please provide a pantone reference, we will then match the colours as closely as your chosen process allows.

DTG and transfer printing cannot provide exact colour matches.

Screen printed grayscale images and gradients use halftone dots, so will vary from the digital version of the design.

If text is included please check all spelling and grammar as once approved we cannot be held responsible for any mistakes.

All standard positions are approximate; if an exact position is required please provide measurements.

Due to the nature of printing onto fabric, print sizes and positions may vary slightly.

Print and embroidery sizes are not scaled to fit different sized garments, unless this is stated on your sales order confirmation. This will incur extra costs.
